Supporting Faculty Member

You need to find a **mathematics department faculty member** who will agree to support your application for a scholarship. This should be someone who knows your ability, work, and achievements well. No letter or signature is required by them.

Name of the math faculty member who supports this application: _____

2000+-Level Math Course Grades

Applicants must have completed at least four (4) MATH courses at the 2000+ level *before the semester in which they would hold the scholarship (i.e. the next fall term)*. List all that apply below.

Course	Grade	Course	Grade	Course	Grade
MATH		MATH		MATH	
MATH		MATH		MATH	
MATH		MATH		MATH	
MATH		MATH		MATH	

Other relevant information

Math Club, mathematical competitions, REU or other summer research work, etc. Please list here:

Personal Statement

Include a typed, short personal statement with your application stating why the scholarship is important to you and what you plan to do with your math degree.
